

2023 Boston Marathon Chartered Bus Application

The Greater Springfield Harriers will once again be traveling to the Boston Marathon in comfort and style via a luxury motor coach. As always, West Springfield and Palmer will serve as the runner pick-up and drop-off locations.

Marathoners will be brought directly into the athlete's village in Hopkinton where you will be able to freely use the bus as headquarters (warm and dry) until the start of the race. We will then collect all the tired, but happy, marathoners in Boston and bring them back home. You don't have to be a Springfield Harrier club member, **but you must be an official entrant in the marathon.** The round-trip cost is \$50 for non-Harrier club members, and \$40 for Harriers Club Members current on dues, a real bargain.

See <http://harriers.org/announcements/gsh-bmbus.html> for more details
